Dear In-bound Soldier and Civilian,

Welcome to the 76th MP Battalion and Fort Bliss, Texas! We support military police missions around the world and conduct law enforcement for Fort Bliss. You can take great pride in being a member of one of the MP Corps' best battalions with a reputation for excellence. I am confident that your tour with the Battalion will be one of the most rewarding and exciting assignments in your career.

You are arriving at Fort Bliss in a dynamic period. Our missions deploy troops anywhere - from Hungary to Israel, from Wash D.C. to Honduras and points in between. We ensure the security of Fort Bliss - a national power projection platform for air and missile defense assets and one of the largest training areas in the United States with 117,000 soldiers, civilians and families served. Our battalion motto is "One-Team, One-Fight!" because we are a diverse organization of soldiers and civilians who work together to accomplish these missions.

We are a "Total Army" force of active, reserve and national guard units and a Department of the Army civilian police force. We are the best unit on the installation and our personnel set the highest standard of professional conduct. If, in your initial months, you note some ways we can do our "business" better based upon your previous experiences, please let the chain of command know. We are always looking for more better ways of soldiering.

Our goal is to provide the Army and Ft. Bliss community with highly motivated, well-trained military police professionals who conduct superior tactical and garrison policing. We will keep you proficient in battlefield duties and train with local law enforcement to sustain police skills. If you are up to the challenge, this battalion is for you. You will have the opportunity to experience the full spectrum of military police missions.

If you are married, my welcome extends to your entire family. El Paso has much to offer with a small-town feel - even attractions like cool mountains and lakes are just a couple of hours away. Please be safe in your travel here. If you need emergency help please call the MP Desk at (915)-568-2116 and we will find a way to assist you.

Proud to have you join our team - Hooah!

**STEPHEN M. WILKINS
LTC, MP
Commander and Provost Marshal**
